## Dreistern – Quality is our tradition

### About us

Our company's rich history began in the year 1934. Founded as a small enterprise specialized in fruit and vegetable conservation in Potsdam, we continuously developed. Today, we are national market leaders in the sectors of meat- and convenience meals as well as aspic specialties with a wide variety of products. With our team and trainees, we are one of the largest employers in the district. We supply the 2-level trade and discount and grow internationally together with our customers. A lot of aspects of our company might have changed throughout the generations, but Dreistern stayed a family-owned and -led company with high quality standards, foresight and the ability to innovate. We continuously face our customer's demand for a contemporary nourishment and aim to please them by using the advances in food production and packaging. Hereby we are creating innovative dishes and new packaging options as well as enabling the advancement of the traditional food can.

### Our portfolio for your success

Our product range is not only characterized by a high degree of variety, but also our diverse packaging sizes and shapes. Thus, our product portfolio covers a selection of traditional home-style meals, like goulash or aspic specialties as well as modern vegetarian, internationally inspired dishes, which are available in food cans, microwave bowls and glasses. The quality of our products and our production concept is being certified and awarded on a yearly basis. Topmarke, Goldener Preis der DLG and IFS "Higher Level" are only some of the examples. The continuous improvement of our modern and traditional dishes as well as innovations in packaging techniques are among our most important company objectives. Our quality awareness and ability to innovate lead to customer satisfaction, awards and long-lasting partnerships.
