Worldwide leading tea wholesaler for classic teas, herbal blends and fruit melanges

About us

We are a long-established and innovative owner-operated tea wholesaler in the B2B sector with vast experience and strong partners in the countries of origin.

As a specialist in loose leaf teas as well as coarse and triangle cuts, we have extensive expertise in the tea business, with a strong focus on products certified under organic and sustainability standards.

Since 138 years, we have been pursuing our mission with great passion and the utmost care: To create enjoyment and bring it to the world. Detailed information available at: www.wollenhaupt.com/en

Our portfolio for your success

We put a top priority on the highest product quality and are experts in the production and processing of quality teas. With our many years of expertise and dedicated passion, we have evolved into a leading producer and supplier of classic teas, herbal infusions and fruit melanges, and are a consistently reliable partner in over 70 countries – for specialised retailers, global producers of branded products and industry customers alike.

Our product portfolio comprises all cut sizes and leaf grades, orthodox as well as flavoured teas. We offer private label customers individual packaging concepts tailored to their requirements. Our packaging options range from pyramid-shaped bags to packaging in flat-base bags with customised designs.

Resource conservation and sustainability play an important role in our day-to-day work and actions. In line with this, we also offer sustainable packaging solutions.

- Large product portfolio from classic teas, flavoured blends to innovative product developments
- Purchasing, trading, processing and packaging from a single source
- Organic and sustainability certified products
- Maximum product safety through certifications and origin controls
- Private label - customized packaging concepts, from pyramid bags to folding boxes, also in sustainable materials
- Classic tea accessories and trendy accessories
