Spice specialist with expertise in both taste and technology

About us

AVO-Werke August Beisse GmbH is amongst the leading spice specialists in Europe. AVO-Werke as partner for producers of all categories of food offers standardized and individual flavourings and additives. Clients are well-known national and international food companies, traditional butcheries, food trade, supermarket chains, wholesalers and caterers. A key value of AVO-Werke August Beisse GmbH is the intense and customised service portfolio. With own R & D, innovative and trend-oriented products are part of the customer services in order to fully meet the high expectations of a rapidly expanding convenience-foods market. Detailed information available at: www.avo.de
