## The best of the best

### About us

Our success in the European market is guaranteed by the quality, variety and taste of our products. The family business Hein always achieves the high standards demanded in the sausage and meat manufacturing business. Our factories in Hasbergen and Görlitz produce a range of over 250 sausage and meat products. Our balance of high-quality ingredients, using traditional recipes and innovative products, together with competitive pricing, ensures that Hein's products are demanded by delicatessens, retailers, caterers and industry worldwide. We can label all our products in 17 different languages. Our National and International distribution network ensures world-wide, 'just in time deliveries'. Your personal multi-lingual salesperson will ensure that all your order's and enquires are dealt with in a speedy and efficient manner.
